DIY Golf Simulator Enclosure Kit

Product Specification Sheet

Six enclosure sizes and four impact-screen materials are available for the Carl's Place DIY Golf Simulator Enclosure, offered through Forever Indoor Golf. Use the outer dimensions below — not the simplified listing size — to confirm the enclosure will fit your space.

Listing Size (H x W)	Aspect Ratio	Viewable H x W (in)	Outer H x W (in)	Depth (in)	Footprint Depth (in)
7.7' x 10'	4:3	83.1 x 110.8	95.8 x 124.8	59.125	67.375
7.7' x 13'	16:9	84.0 x 149.3	95.8 x 163.3	59.125	67.375
8' x 8'	1:1	86.0 x 86.0	100 x 100	59.125	67.375
8' x 10.5'	4:3	87.2 x 116.3	100 x 130.3	59.125	67.375
8.5' x 11.5'	4:3	94.7 x 126.3	107.5 x 140.3	59.125	67.375
9' x 12'	4:3	99.2 x 132.3	112 x 146.3	59.125	67.375

Note: Depth is measured screen-to-front-frame. Footprint Depth includes the backset rear fitting (adds 8.25"). Listing size is a simplified name — verify actual outer dimensions before ordering. Manufacturing tolerances of a small variance may apply.
